

Evidencing the impact of the Primary PE and sport premium

Website Reporting Tool

Revised July 2021

Commissioned by

Department
for Education

Created by

YOUTH
SPORT
TRUST

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Please visit [gov.uk](https://www.gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils' PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Details with regard to funding

Please complete the table below.

Total amount carried over from 2019/20	£5,814
Total amount allocated for 2020/21	£17,720
How much (if any) do you intend to carry over from this total fund into 2021/22?	£12,426
Total amount allocated for 2021/22	£17,550
Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022.	£29,976

Swimming Data

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety. N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts. Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. Please see note above	55%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above	55%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	55%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/ No

	We are intending to provide additional swimming lessons to ensure 95% chn leave school being able to swim 25m with a variety of strokes.

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2021-2022		Total fund allocated: £29,976	Date Updated: 16.11.21	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation: 25%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
At least 40 minutes of physical activity during the school day, encouraging additional physical exercise out of school hours.	Children given a range of active games and resources to use during breaks and lunch times.	£7500	All children achieving 40 minutes in school. Increased take up of sports clubs out of school hours.	Provide cross curricular links to other areas of the curriculum to embed habits of increased activity.
Pupils to take on leadership or volunteer roles that support sport and physical activity within the school eg leading clubs or becoming PlayLeaders	Train up children as sports leaders and purchase playground equipment to encourage physical activity skills		Children to lead playground games and activities	Sustainable as professional coach trains staff and children.
Children have embedded understanding that exercise, healthy eating and mental wellbeing are vital and ensure good practice so they become habitual.	Teach children about staying healthy both physically and mentally.		Conversations with children, participation in playtime activities, healthy packed lunches or lunch choices.	Pastoral TA, Thrive trained staff to support children. Increased reference in PSHE lessons.
Less confident children to participate in and enjoy sporting activities with TAs support	Encourage and enthuse through differentiated activities to allow success. TAs to timetable activities at lunchtime for less confident children to join.		Increased take up of sporting activities by less confident children.	Staff training

Identified chn to take part in Funfit and other interventions to improve mobility and gross motor skills.	Interventions provided for specific pupils 2 x per week		Gross motor skills and confidence will improve.	
Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total allocation:
				15%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
<p>Chn will understand the link between sport and other subjects – eg science, pshe- so that deeper learning is evident.</p> <p>The profile of sport and activity is raised throughout the school through charitable events (Sports relief), Sports Day, inter school tournaments.</p> <p>Chn will aspire to take part in sports and challenge themselves.</p> <p>Children know how to keep themselves safe when doing physical activity.</p> <p>Chn's successes will be celebrated.</p> <p>School Council will take part in planning what sports they would like to access and feed back to HoS/PE</p>	<p>Teachers will refer to PE when appropriate in other lessons. PE will be linked to the curriculum – eg Dance themes, invasion games, tally keeping (maths) – to support these links.</p> <p>Advertising, marketing, inviting parents to watch/support.</p> <p>Sporting champions are invited to the school.</p> <p>Sports display board to celebrate 'player of the day'. Assemblies.</p> <p>School Council meetings, research into different sports. Meetings with HoS/PE Subject Leader. Local Clubs to be invited into school to talk about their sport.</p>	£4500	<p>Chn will know more and remember more.</p> <p>Chn and families will feel invested and inspired to support competitions.</p> <p>More children will be active for longer.</p> <p>Chn will be safe and play appropriately.</p> <p>School community support will be strong.</p> <p>Children will feel invested and will have a voice.</p>	<p>Curriculum planning to make sure the links are explicit.</p> <p>Planned events are in the calendar in advance to allow sufficient planning and preparation.</p> <p>Have a rolling programme of sporting visitors available to come into school.</p> <p>Sports on offer to vary according to chn's feedback.</p>

--	--	--	--	--

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport				Percentage of total allocation:
				35%

Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Staff to be audited for their confidence and skills. CPD plan to ensure training needs of each staff member is met. Staff with specialist knowledge/competitive sports experience to model to others. Professional coaches to provide training for all staff.	Form for staff to feedback their confidence/expertise ratings and to collate the responses. Training provided for each strand of the curriculum, modelling and skilling up staff to improve their own practice.	£10,500	Training will be targetted to where it is most needed. Staff who are already confident will support others to extend their knowledge. PE provision is excellent and children and staff increase their knowledge and understanding of the different skills.	Annual audit to allow for staff changes and confidence across all areas. CPD plan to be updated annually. Professional coaches with sports specialisms to share expertise.

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation:
				15%

Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:

<p>Chn practise Yoga and relaxation techniques to reduce anxiety and improve behaviour.</p> <p>Chn will engage with Forest School type activities – Woody Wonders – eg bushcraft, conservation and eco awareness.</p> <p>Chn will be introduced to a range of alternative sports</p>	<p>Sessions timetabled in for all pupils.</p> <p>Outdoor education planned and timetabled. Staff trained in Forest School techniques.</p> <p>Professional coaches with alternative sports expertise invited into school</p>	<p>£4500</p>	<p>Reduced anxiety in some children.</p> <p>Chn will understand the benefits of relaxation and how to achieve these.</p> <p>Chn will engage with the outdoors and become skilled in bushcraft, with an improved understanding of the world around them.</p>	<p>Train staff in Forest School techniques.</p> <p>Ensure a range of alternative sports is timetabled.</p> <p>Yoga and relaxation techniques become part of the school routine.</p>
--	---	--------------	---	---

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
				10%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
<p>To take part in inter class/year group competitions.</p> <p>To take part in competitions between our CAT schools.</p> <p>To take part in competitions across the wider Learning Community.</p> <p>To take part in competitions between external clubs.</p>	<p>Running record of points attributed to students in different classes, results at the end of each term.</p> <p>Netball, football, volleyball and tag rugby competitions 1 per term.</p> <p>Netball, football and tag rugby tournaments 1 per term.</p> <p>Encourage participation and share results of external clubs competitions.</p>	£3000	<p>All chn will be invested and will feel part of the team and engaged with being active.</p> <p>Team spirit will impact positively on behaviour and relationships within school.</p> <p>There will be a wide pool of talent and participation.</p> <p>Specialist clubs and sports will have their profile raised, more children will join.</p> <p>Increased support from parents.</p>	<p>Sustainable within school – PE Subject Leader.</p> <p>Sustainable within the Trust – PE Subject Leader and PE Providers.</p> <p>Sustainable, relationships built across schools and with external sports associations.</p> <p>Encourage parents to take up new sports too to ensure a culture of active living for all members of the family.</p>
