20 Oct	Non-pupil day		
23-27 Oct	Half term holiday		

Dear All,

How lucky we were to have both sports days this week in amongst the rain! Thank you for your understanding with having to change the KS2 date. It was wonderful to see so many of you attending. As ever, the children's behaviour and attitude were impeccable and the team spirit from each year group shone through which was fantastic to witness.

I cannot believe that this is the last newsletter of the year already! I would like to say a massive thank you to all the children, parents and staff for making me feel so welcome and at home at Chulmleigh Primary over the past eleven weeks. I feel very privileged to lead this wonderful school and it has been a joy getting to know you during drop off, pick up and school events.

All classes have had an enthralling couple of weeks as ever in their learning. Highlights have included the whole school watching the dress rehearsal of Cinders and Sherlock by Year Six, Year Five attending the College's taster day and Year Three searching for different plants around school.

Safeguarding Updates- Bullying:

Our whole school assemblies for June have continued to focus on and celebrate Pride month. This week, we have been exploring bullying and in particular homophobia and what this means. The children's questions and responses were very mature. I was also very impressed with how adamant they were in wanting equality for all. Some were even able to explain how our school values of 'Compassion, Ambition and Teamwork' were essential in ensuring that 'Nothing but our best' will help to make the world fairer and more inclusive. At playtime, a few children wanted to know why the rainbow flag was important in Pride Month, so I shared this with all the children and what it represented. Below are some of the examples I shared in our Pride assemblies.

COMPASSION AMBITION TEAMWORK

CHULMLEIGH Primary School

Make Every Minute Count!

NOTHING BUT OUR BEST

7. Gilbert Baker

COMPASSION AMBITION TEAMWORK

If you know anything about LGBT movement you'll definitely recognise the iconic rainbow flag, which was invented by this man!

Gilbert Baker was an American artist, gay rights activist who designed the flag to have eight stripes instead of the six normally seen now.

It first made an appearance back in 1978 and has become associated with LGBT rights all over the world.

Although it would have made him a lot of money, Gilbert refused to trademark it, saying it was a symbol for everyone.

To celebrate the 25th anniversary of the Stonewall riots, Baker created the world's largest flag, at the time.

Make Every Minute Count!

NOTHING BUT OUR BEST

12. Elton John

COMPASSION AMBITION TEAMWORK

The singer and pianist has sold over 300 million records, making him one of the best-selling music artists of all time.

In 2019 he received France's highest civilian award, the Legion d'honneur, by President Emmanuel Macron, who called him one of the first gay artists to give a voice to the LGBT community.

Elton came out as bisexual in a 1976 interview with music magazine Rolling Stone, and in 1992 said he was gay.

He and his partner David Furnish were among the first couples in the UK to get a civil partnership in 2005, when the law was changed to allow gay relationships to be legally recognised.

In 2014, after gay marriage became legal in the UK the pair got married and have two sons born via surrogacy.

Make Every Minute Count!

NOTHING BUT OUR BEST

9. Lady Phyll

COMPASSION AMBITION TEAMWORK

Phyll Opoku-Gyimah, better known as Lady Phyll, is a British LGBT rights activist and anti-racism campaigner.

She is the co-founder of UK Black Pride, which began in 2005 as a day trip to Southend-on-Sea in England. It now attracts nearly 8,000 people every year.

Lady Phyll created the event to promote unity and co-operation among all LGBT people of African, Asian, Caribbean, Middle Eastern and Latin American descent in the UK, as well as their friends and families.

She is also the Executive Director of the charity Kaleidoscope Trust, which campaigns for the human rights of LGBT people in countries around the world where they are discriminated against.

Make Every Minute Count!

NOTHING BUT OUR BEST

The children listened attentively to the following clip which again promoted great discussions. [What is homophobia? –BBC Newsround](#)

Outdoor Play and Learning (OPAL):

More training for staff has occurred over the last couple of weeks ready for OPAL to be launched after the summer holidays. OPAL states that:

'There are many proven benefits for schools that carry out the OPAL Primary Programme. They usually include: more enjoyment of school, less teaching time lost to disputes between children, fewer accidents and greatly improved behaviour.

Play is not messing about. It is the process evolution has come up with to enable children to learn all the things that cannot be taught, while also having so much fun. There are certain things children **must** have in order to be able to play. These include:

- Having clothes and wellies that they can play in.
- Having things to play with.
- Having a certain amount of freedom.

As the school improves play opportunities for your children, you may find the school is asking you for resources and is making changes about how the children use the school grounds. They may use more of the grounds, for more of the year. Your children may get a bit messier, be exposed to more challenges and have greater freedoms to play where, with whom and how they like. The experiences the school is fostering are essential for children's physical and mental wellbeing and are in line with all current good practice advice on health and safety, wellbeing and development'.

We are really looking forward to starting this exciting play approach in September. More information can be found at [Doc 1.0 OPAL welcome book 2022.pdf - Google Drive](#)

Uniform:

Due to the Year Six Academy ceasing this year, children going into Year Six in September will continue to wear the usual school uniform of black trousers, white polo shirts and their Chulmleigh Primary School jumper. We are phasing out the grey trousers to black from September and the blue t-shirts to white. We are aware that some of you will have already purchased grey trousers or blue t-shirts and they still fit your child/ren there is no need to replace them as we realise that this isn't a cost you would have factored in. Please just buy black trousers and white t-shirts when your child/ren have outgrown the grey and blue. Additionally, please remember to speak to Abby as we have good quality preloved clothes that can be given a new home.

Year Five Taster Day at Chulmleigh College:

All Year 5 children from Chulmleigh Primary attended Chulmleigh College's Taster day on Monday 3rd July. During the day, they enjoyed lessons in science, design technology, computing and maths. They also visited the library and had an assembly altogether in the college's main hall. They all came back buzzing about their day and were keen to tell us what they did and the fun they had. Photos of the fun can be found on the college's [Facebook](#) page.

Attendance Updates:

As mentioned many times before, Chulmleigh Academy Trust has an unwavering commitment to improve attendance and punctuality at school as we know what a difference it makes to every child's attainment and progress. If your child/ren's attendance continues to cause concern following our robust and thorough process with the Education Welfare Officer (EWO), you will be invited to attend a supportive attendance meeting. During the supportive meeting, we will discuss what else we can do to help improve your child/ren's attendance and what further support or external agency help you may need. An attendance action plan will also be completed together during this meeting. Examples of what could be included in the action plan can be seen below:

What needs to happen/ Action	Who will make it happen?	By when?	How this will happen?	If this does not happen
Pupil to attend school every day. Pupil to attend in correct uniform and to comply with school rules and attend lessons. Pupil to hand in phone to school reception on arrival Pupil to access self-help sites, as needed, until CAMHS appointment received, e.g.,: Kooth.com, Headspace				
Parent to ensure Uniform and bag packed the night before Parent to wake up pupil at Parent to ensure pupil leaves the house at..... Parent to remove phone/social media from bedroom to ensure a good sleep routine is in place at an appropriate time.				
School to sit with pupil and go through Timetable to ascertain which lessons are difficult and action as necessary School to meet pupil at reception door at..... School to work with pupil to set up a plan, if the pupil is struggling in a lesson (eg Exit Card) Parent to provide school with evidence of GP appointments when off school Sick (if pupil is not poorly enough to attend Drs, then pupil should be in school)				
Early Help Parent to sign Early Help Consent form School to complete Early Help referral				

Our current attendance rate of **94.89%** is still slightly behind the targets set by the Department of Education and the Trust which is 96%. This week, the year group attendance is:

Reception: 98.58%
Year 1: 94.89%
Year 2: 94.50%
Year 3: 96.08%
Year 4: 93.02%
Year 5: 93.26%
Year 6: 94.89%

Year Six Performance:

What an enthralling and enjoyable performance Year Six gave to parents and their extended family this week. Everyone who attended laughed from the very first joke to the very last. We were totally entertained for the full 70 minutes. We were treated to amazing singing (including solos), excellent acting and beautifully decorated backdrops. The volume of applause was testament to how much the audience loved the performance. What was really admirable was how much of a team effort the performance was from beginning to final curtain. All the children had to help design and make the sets, they had to help one another learn their lines and then work together to ensure all the elements came together to produce the wonderful final production. Year Six, you should be immensely proud of yourselves as we most certainly are!

School Improvement Update – Director Visit:

I met with Steve Baber (Trust Director Chair) last week to discuss the improvements and developments from our last meeting. The role of the Directors is varied and one of their main responsibilities is holding the leaders of the Trust to account. It was a very positive meeting and Steve noted some good improvements across the school. Extracts from the Director's report are below:

What did you learn?

Martin has been Head of School since the beginning of the Summer Term 2023 and throughout the meeting he described a range of strategies he had implemented to develop the culture of the school and the impact of teaching on learning.

We started by Martin explaining his vision for the school. He explained his commitment to a whole-school approach and was embedding Trust values within the school. He gave an example of his assemblies and provided his assembly PowerPoints as evident. He outlined his ambition to provide a broad and balanced curriculum which included access to learning for all, extracurricular opportunities, educational visits and visitors, outdoor social and play opportunities.

Oracy is a key issue, and Martin has focussed on speech and language as a school priority. Training is supporting this priority.

We discussed subject leadership, and the developments and improvements Martin has put into place since his appointment. All teaching staff has a specific subject leadership role and there is a rotating programme of priority subjects. Time is given to subject leaders to lead their specific subject across the school and monitor and support its implementation. He has implemented a framework for subject leader reviews and shared examples.

We discussed the use of the outdoor environment and Martin is using OPAL with future development work in the next school year.

We explored CPD and staff meetings. Within contractual constraints TAs did not attend after school staff meetings. This did restrict the implementation of Martin's expectations for whole school approaches. To overcome this Martin has allocated one hour every Thursday morning for TA training. Sometimes this is led by Martin and sometimes by a lead teacher on a specific topic while Martin teaches the class.

What strengths did you identify?

I asked Martin to name 3 strengths he had identified at the school. He considered the school had many strengths of which we discussed three.

- Inclusivity
- Good behaviour and pupil well-being.
- Care and support for pupils

He offered examples of how these are applied in the school to support his judgements.

Martin presented key leadership skills. He articulated a clear vision, explained his management strategies, gave example of positive actions and presented clear high expectations with an understanding of impacts.

Assessment Week:

All classes across the school completed assessment tasks recently. Nuffield Foundation for Educational Research (NFER) reading assessment and White Rose maths assessments were undertaken by the children. Staff have marked and analysed the children's scores and have passed this information to your child/ren's next teacher so they can adapt their plans and teaching accordingly in September to ensure their teaching is covering any gaps in knowledge or understanding from the assessment tests. The children did amazingly well and tried their best on each assessment task which we are extremely proud of them for. They really did 'Make Every Minute Count!'

Special Education Needs and Disability (SEND) Update:

I recently attended Devon's School Leadership conference. We heard first hand from Devon leaders what the SEND priorities are, what they are proposing to change to ensure maximum impact on SEND provision and what the SEND data looks like compared to other counties. This information is below:

Project purpose: To enhance the inclusive capacity of mainstream schools and settings

- Improving the inclusive capacity of Devon's mainstream schools and settings is at the core of restoring the confidence of children, young people, and those who support them, that the needs of all children in Devon are being well met.
- Most of the SEND cost savings which the LA urgently need to make are reliant on Devon having high quality Ordinarily Available Inclusive Provision consistently in place across all schools and settings.
- Good Practice examples (Cambridge) have been well resources, have dedicated Project Leads and are presented in an appealing digital format.

Key Milestones

Agreement of Ordinary Available Inclusive Provision (OAIP) project plan based on SEND Improvement Plans

1 July 2023 - To link with the SEND Improvement Plan to have agreed implementation arrangements for Autumn term.

2 December 2023 - Publication of Devon's Ordinary Available Inclusive Provision offer.

Scope of saving opportunity:
Further work needed but good examples show savings could be significant.

Scope

- Partners will set out Devon's expectations of Ordinarily Available Inclusive Provision and refresh Devon's Graduated approach. (SEND IP A, A14)
- In parallel, planning of implementation Training/support & sustained progress will take place. (SEND IP A A15)

Outcomes

- More children successfully included in mainstream schools - co-produced OAIP Toolkit will confidently be used in all Devon schools and settings.
- SEND support services will offer timely tailored school support, so that needs are met early, reducing EHCP requests.

Risks, Mitigation & Constraints

- Potential of OAIP preventing EHCP request not recognised
- SEND IP is inadequately understood
- Safety Valve project has many small scale disconnected projects - risk of confusion
- New project lead needed from 31.07.23
- Digital support not costed in plan

Resources

- Project manager, H grade FT £58k pa inc on-costs
- Strategic SEND advisor (T grade FT £68k/pa inc on costs, managing new team of 4 x SEND advisors (H grade FT) £231k inc on costs
- See separate plan for 12 x Nursery Plus Practitioners for outreach

TOTAL of all above £712k p.a.

EHC Needs Assessment – SEN2 Analysis

Variance for Devon to achieve national average %

	Current Devon (%)	Current Devon (Number)	Current National %	Variance to meet current National %
% of 20 weeks assessments completed on time (England)	11.8%	106	50.7%	455 (361 increase)
% of 0-24 Population with New EHCPs Issued in the Calendar Year	0.44%	932	0.41%	868 (64 decrease)
Initial Requests for EHC Assessment (% of 0-24 Population)	0.96%	2017	0.68%	1429 (588 decrease)
% of Initial Requests for Assessment that were refused	35.1%	707	21.9%	441 (266 decrease)
% of 0-24 Population with EHCPs	3.98%	8400	3.08%	6500 (1900 decrease)

[Devon Local Area SEND Improvement Plan 2023/24 - Education and Families](#)

I would also like to draw your attention to some Autism parent workshop courses that are commencing early in the autumn term. I have had parents that attended these workshops in the past and they commented on how useful they found them. Please see the details at the end of the newsletter for more information.

Finally, I would like to wish you all a fantastic summer holiday. We hope that you enjoy your family time together and we cannot thank you enough for your continued support.

With warmest wishes,

M J Evely

Martin Evely and all staff of Chulmleigh Primary School

At our Sports Days, the PTA were selling cakes, bakes and drinks all of which were kindly donated by the amazing bakers we are so lucky to have at our school.

Over the two days a HUGE £356.90 was raised, all of this money goes back to the children of the school.

Thank you all so much for your support and amazing generosity.

We also today presented our Lovely Amanda with some flowers and goodies as a Thank you for all her hard work over the years as Chair of the PTA as she now steps down and we welcome Donna to the post and we know she will do an amazing job!

Amanda is very kindly still going to be a part of the PTA and we will still very much look forward to working with her.

PTA Update

The PTA have been raising money and providing fun competitions for our wonderful children at [Chulmleigh Primary School...](#)

The Coronation Project raised an amazing **£272.75**. Thank you to the children for making such wonderful designs and to everyone who bought items to help raise this amazing amount!

Back in April, Ashley in Year 4 took part in the inflatable 5k Challenge!

He managed to convince his mum, big sister and his friend Stanley (also a Chulmleigh pupil) to do it with him!

We all had an amazing time and raised **£275** to go towards PTA projects through the just giving page, thank you to everyone who sponsored and supported us!

We had lots of lovely entries for the Father's Day/Like-a-Dad/Special person competition so thank you to everyone who crafted and baked; we really enjoyed seeing all your creativity. We hope your special person enjoyed their prizes and presents on their special day.

The PTA needs volunteers to keep events like this going. If you can help please contact us on chulmleighpta@gmail.com.

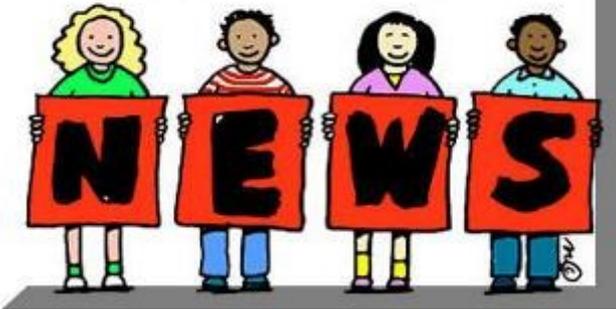

We need more Committee Members to continue to operate as a charity.....if we can't fill key slots like the Chair and Secretary then unfortunately the PTA will not be able to do any more fundraising.

Our Latest Gift from the PTA...

10 New Learning Tablets!

...and a Charging Cabinet!

classroom

Cubs & Tigers

The Tigers and Cubs have been very busy over the last few weeks learning about under the sea creatures. They have made a wonderful wall display which includes The Rainbow Fish, which was our main story, jelly fish, and a giant octopus. This week we have been exploring the various species of sharks. We will end our exciting topic of Under the Sea by having a pirate and mermaid party on the last week of term.

We would like to say a fond farewell to some of the Tigers who will be joining the Reception Class in September, it has been so much fun and an absolute pleasure to see them blossom and grow.

We hope you all have a wonderful summer holiday.

Gina and Saffy

Lions

We have had great fun talking like pirates this week! The children have created their own pirate characters. They even came up with pirate names. You will see all these pirates displayed in the conservatory. On Thursday we created our own pirate maps for our characters to follow. We used old tea bags to make them look old! Next week we are going to write our own pirate adventure stories (with a beginning, middle and end) using our pirate characters.

We plan to have a Pirate Party during the last week of term to celebrate the amazing learning which has taken place this year. They have all achieved so much! We would also like to say a big thank you to all the help and support given by all the parents and all the lovely volunteers who have helped us during the year.

Hedgehogs

Hedgehogs have had another good few weeks and an amazing year. The children all did really well in the phonics test and also the recent reading and maths tests we have completed. It has been so rewarding to see the progress they have made across all areas and how they have grown. The children have enjoyed learning about famous inventions in History and about animals in Science. In computing we have started learning about coding and have been able to make simple objects move within a programme. The children have really enjoyed PE this half term where they were practising all the skills they needed for sports day and thoroughly enjoyed sports day itself!

Barn Owls

Wow – what a year it has been for Barn Owls! They have all really worked hard at training their brains and they have worked so hard on creating a growth mindset. We have been so excited to take part in Sports Day with a real sense of team in Barn Owls. We loved seeing our musical visitor, Mr Fitton and joining in with some fantastic singing as well as listening to some angry piano music, some mellow piano music and some fun, jumpy music! We hope to see lots of Barn Owls learning instruments after the summer holidays. Have a great summer holiday and thank you to all of the parents for their amazing support this year – it is really appreciated.

We all really enjoyed a visit from John Fitton who played us the piano and the recorder. Year 2 and 3 all had a go on the recorder and we also had a great singalong to Supercalifragilisticexpialidocious (might not have spelt that right!!!) in singing assembly. We look forward to lots of children learning instruments from September.

Dragonflies

The highlight of the last couple of weeks has to be Sports Day on Monday. We were very fortunate with the weather and thanks to the great organisation by Mrs Evans and Mrs James the children had a wonderful time. All of the children were engaged in the activities and we were very proud of their 'have a go' attitude and the kindness and support they showed for each other. Thank you for supporting your children and turning out on Monday.

The children have enjoyed the story of 'Orion and the Dark' and are now writing their own stories about a character who is afraid of something. In maths we have timed out on time and moved on to other measures.

We are looking forward to our Northam Burrows trip, next Thursday. We've been looking at maps and talking about the physical and human features of the area and what there is to do on the beach and in Westward Ho! Fingers crossed for the weather!

As this is the last newsletter for this academic year, we would just like to say how much we have enjoyed being part of your child's time here at Chulmleigh Primary School. They are a fantastic group of children and we look forward to seeing them continue their learning journey in year 3.

Best Wishes, from Mrs Niejadlik and Mrs Bolton.

Squirrels

Year 5 have had a busy week this week! The Year 5s had a fantastic Taster Day at the College on Monday and really impressed all of the staff. In Literacy, we have started writing our own versions of Heracles and the Twelve Labours, including everything we have learnt about narratives so far this year! In Maths, we are recapping some areas of Maths that we found tricky in the recent tests. In Science, we had a boat race to test our understanding of water and air resistance. In teams, children made boats from tin foil and tried to make them as streamlined as possible. We then raced the boats to see which boat had the least air resistance and water resistance, making it the quickest!

Bumblebees

Year 4 have an a very busy week, completing assessments in English and Maths in the mornings followed by art Music and French in the afternoons. In art we have been exploring varied techniques to create beautiful pictures from our recent river trip. To go with the fantastic poetry that has been written both individually and as groups we hope to create a wonderful display to show everyone our fantastic work.

The poet Katy, also visited this week. She was very impressed with all of the hard work that we had put into this project.

Foxes & Otters

Year 6 have had a fabulous couple of weeks rehearsing tirelessly for their Year 6 production. We are so incredibly proud of them all in every performance they did. We have had many lovely comments about the high standard of singing and acting and how the children conducted themselves throughout is something to be admired.

We would like to take the opportunity to thank you for providing them with their costumes and ensuring that they were at the performances – it was a real team effort!

Now it is time to prepare for the Leavers Assembly. If you have any photos of your child that we could share in the assembly, please send them to Mrs DeFuyck jdefuyck@chulmleigh.devon.sch.uk.

We look forward to seeing you all on Wednesday 19th July at 2.15pm. The assembly will take place in Heywood Hall in the college. If we could ask that you arrive at the college between 2.00-2.15, you will then be escorted to the hall.

Thank you for your continued support.

LAMDA Summer Workshop

Thursday 3rd and Friday 4th August, 9.30am - 3.30pm.

All primary students from trust schools welcomed at £45 per child for both days including drinks and snacks, however please provide your child with lunch. LAMDA syllabus drama workshop designed to teach performance skills to primary school children resulting in a small performance on the second day.

The workshop is especially beneficial to children who make lack confidence or equally ones who love drama and creative skills, taught by a professional actor who works at Chulmleigh College teaching LAMDA.

Learning through improvisation and original fun games.

For further details please email me at: awhittick@chulmleigh.devon.sch.uk

Should I keep my child off school?

Yes

Until...

Chickenpox	at least 5 days from the onset of the rash and until all blisters have crusted over
Diarrhoea and Vomiting	48 hours after their last episode
Cold and Flu-like illness (Including COVID-19)	they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.
Impetigo	their sores have crusted and healed, or 48 hours after they started antibiotics
Measles	4 days after the rash first appeared
Mumps	5 days after the swelling started
Scabies	they've had their first treatment
Scarlet Fever	24 hours after they started taking antibiotics
Whooping Cough	48 hours after they started taking antibiotics

No

but make sure you let their school or nursery know about...

Hand, foot and mouth	Glandular fever
Head lice	Tonsillitis
Threadworms	Slapped cheek

Recycle Your Ink Cartridges Here

and help us raise money!

Recycle Charity

Bring in your old ink cartridges and pop them in the box just inside the front door of the school building! Such an easy way to raise funds for our lovely school!

A request to our 'bus parents'!

If your child(ren) travels by school bus or taxi, please let us know by MyEd message or by email to admin@chulmleigh-primary.devon.sch.uk if the arrangements are different to usual or if they will vary throughout the coming week.

Messages in the home-school diaries can unfortunately get missed if classroom staff are absent, whereas messages online can reach various members of the Admin team even in Abby's absence.

Teachers check with their classes each morning and call out a bus register, but children can often get confused or not remember, so a message from home is essential!

Many thanks!

- ✔ Phosphorus to strengthen bones and generate energy in the cells
- ✔ Iodine to support healthy cells and metabolism

Cool Milk is supplied with Finance's support from the Department of Health and DfPR.

For more information, ask a member of staff.

Autism and Us parent programme and autism-themed workshops (summer/autumn term 2023)

Support for parents/carers of Devon's primary and secondary children who are either on the autism waiting list or who have received a diagnosis of autism.

Our 'Autism & Us' programme and themed workshops delivered this academic year will once again be offered during the summer/autumn terms for parents/carers of Devon primary and secondary school children, pre or post-diagnosis. We are delighted to announce that we are offering access for families of children and young people (CYP) who are currently on the autism assessment pathway, in addition to families of CYP who have received an autism diagnosis.

Attending the Autism and Us parent programme gives you an opportunity to develop your understanding of autism and look at practical solutions to managing and supporting your child's presenting needs.

4 weekly 'live online' sessions (approximately 2 hours each) related to the following topics or themes:

Autumn Term:	Programme 1	Programme 2
Autism overview	14th September 10am – 12pm	31st October 4.30pm – 6.30pm
Communication	20th September 10am – 12pm	7th November 4.30pm – 6.30pm
Understanding and supporting behaviour	5th October 10am – 12pm	14th November 4.30pm – 6.30pm
Sensory	12th October 10am – 12pm	21st November 4.30pm – 6.30pm

To secure a place on any of the above programmes, or to express your interest in forthcoming programmes, please send an email to educationlearnersupport@devon.gov.uk. We will confirm your booking and provide you with a direct link to the event. Events will be delivered online 'live' using the Microsoft Teams platform.

Additional topic-based workshops autumn term 2023

The following topic-based workshops will also be available for parents/carers of children and young people (CYP) who are currently on the autism assessment pathway, in addition to families of CYP who have received an autism diagnosis. You can choose from these based on the relevance to you and your family. Dates and times to be confirmed.

To secure a place on any of the above programmes, or to express your interest in forthcoming programmes, please send an email to educationlearnersupport@devon.gov.uk. We will confirm your booking and provide you with a direct link to the event. Events will be delivered online 'live' using the Microsoft Teams platform.
