

Pupil premium strategy statement

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

Part A: Pupil premium strategy plan

Statement of intent

You may want to include information on:

- *What are your ultimate objectives for your disadvantaged pupils?*
- *How does your current pupil premium strategy plan work towards achieving those objectives?*
- *What are the key principles of your strategy plan?*

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	High Level of PP children with SEND (14/36)
2	Low levels of Oracy and vocabulary acquisition
3	Literacy and Numeracy – Reading and writing and arithmetic
4	Rurality and Social mobility – access to support
5	Mobility impacting on knowledge and acquisition of skills – eg problem solving and reasoning. (13/36 did not do EYFS at CPS)

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Parental engagement to support chn's needs.	Parents feel able to support their children through high attendance and home learning..
Improve and embed the speech and language and communication skills of our pupils	AR vocabulary and engaging and responding to texts scores improve.
To improve the basic skills in phonics, reading, writing and arithmetic	Formative assessments show narrowing of gaps. Children make accelerated progress compared to their peers. Use SS scores and SGP.

Raising aspirations of pupils, though quality first teaching, good attendance.

End of Key Stage attainment in line with National average. Reduced exclusions and behaviour events.

Activity in this academic year 2021-2024

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £ 28,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
<p><i>Whole school vocabulary initiative</i> -explicitly extending pupils' spoken vocabulary.</p> <p>The use of purposeful, curriculum-focused, dialogue and interaction.</p>	EEF toolkit – up to 6 months of additional progress	2
<p><i>Decision making spelling project</i></p>	Data from pilot project, run by the NDTSA, shows accelerated progress for schools using this programme compared to control schools. This links to oral language interventions and metacognition and self-regulation.	3
<p><i>Knowledge rich curriculum</i></p>	Access for all to the wider curriculum impacts on overall outcomes 'Research for Educational Inspection Framework 2017'.	4,5
<p><i>Teaching of reading comprehension strategies</i></p> <p>The use of structured questioning to develop reading comprehension.</p>	EEF tool kit – +6 months progress. This strategy develops fluency, confidence, and enjoyment, 'alongside phonics this is a crucial aspect of learning to read.'	2,3
<p><i>Mastery Maths</i> - Children are taught fluency and problem solving and reasoning skills to ensure a deep understanding and competency</p>	A Jurassic Maths Hub Project based on the Singapore learning style. This has also been linked to mastery learning a combination of direct instruction and collaborative learning is used.	2,5
<p><i>Floppy Phonics</i></p>	Ilsham Literacy Hub training and literacy audit supported the implementation of a rigorously taught phonics programme taught with fidelity.	3

Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £ 18,000

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>Interventions and support in class</i>	EEF toolkit – +5 Months	2,3,5
<i>Accelerated Reader programme</i>	Reading 5x per week for 20 minutes is required to sustain age appropriate progress in reading. Accelerated Reader (KS2) allows this to be monitored and to ensure that children are reading books that match their reading skills which promotes a love of reading.	2,3
<i>Power of 2</i>	1:1 support 3 x week – EEF toolkit	3, 5
<i>Toe by Toe</i>	1:1 support 3 x week – EEF toolkit	3, 5
<i>Preteaching</i>	QFT to over-teach key concepts – EEF toolkit +4 months	2,3,5
<i>Strategic Phonics interventions</i>	Small group work throughout the week in addition to SSP programme in KS1 EEF Toolkit - +5 months	2,3,5

Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 12,930

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>Monitoring of attendance and engaging with families and EWO/Early help</i>	EEF -Improved tracking of attendance and improved engagement with external agencies leads to better outcomes.	1, 4
<i>Use of Curriculum Maestro to implement and monitor the impact of the curriculum.</i>	An ambitious curriculum promotes cultural capital across the school with particular focus on disadvantaged groups.	4
<i>Metacognition and self-regulation taught in class and additional support through interventions supported</i>	EEF toolkit – (+7months plus) strategies are taught to give pupils a range of skills to choose from. Marking and feedback are used to support children to use these strategies most effectively	2,3,4,5

Total budgeted cost: £ 58,930

Part B: Review of outcomes in the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2020 to 2021 academic year.

Standardised teacher led tests were used for end of KS1 and end of KS2 assessments. KS1 showed a 5% gap in the progress made between children on Free School Meals and non FSM children. In KS2, there was a progress gap of -1.8 and the gap between FSM and NFSM children has significantly reduced over the last 2 years, from 2019 when the progress gap was -3.2.

In other years NTS (Rising Stars) assessments were carried out. These showed that the focus on reading has paid off and that FSM children's progress and attainment was higher for most children than had been estimated (FFT pupil tracker). Success was not so evident for this group of children in Maths or Writing and this has informed our plan for this year.

Externally provided programmes

Please include the names of any non-DfE programmes that you purchased in the previous academic year. This will help the Department for Education identify which ones are popular in England
